## EDUCATION

---

### Northeastern Illinois University

Chicago, Illinois

*Bachelor of Science in Computer Science | Minor in Interaction Design | GPA: 3.2*

*May 2023*

- **Relevant Coursework:** Data Structures and Algorithms, Client-Side Web Development, Modern Database Management, Computer Networks, Mobile Application Development, Fundamentals of Software Engineering

## EXPERIENCE

---

### Albane Database Project

Fall 2021

*Computer Networks*

- Created a terminal based Java Application connecting to a Team Organization database I designed using MySQL. This application runs queries and displays them to the user via menu options, the different queries run based on the user input.

### Machismo Poster Website

Fall 2021

*Interactive Arts: Web I*

- With the theme of resistance, created a website acting as a digital poster. I combined html/css with javascript to make an interactive site that speaks about the dangerous consequences of machismo and misogyny in Latin America.

### Project Belmont

Fall 2021

*Personal Project*

- A project management tool aimed towards CS students to increase productivity and organization building personal projects, built using react.js. Currently focusing on the front end and still being developed

## LEADERSHIP EXPERIENCE & ACTIVITIES

---

### Google Developer Student Club at NEIU

2020-2022

*Member*

- Flutter Workshop Series focused on building a basic flutter app from scratch using AutoRoute

## SKILLS & INTERESTS

---

**Computer:** Java, HTML/CSS, Javascript, MySQL, Adobe Illustrator

**Languages:** English, Spanish.

**Interests:** Android, UI/UX, Consumer Electronics, Basketball, European Football, American Football
